

Contact Form: Grandparents and Special Relatives or Friends

JPDS-NC takes pride in its sense of community, and we include grandparents and other special relatives and family friends in our circle. As we prepare for the 2011-2012 school year, we want to make sure we can contact your child's grandparents and other relatives and friends about our events and special initiatives in order to seek their involvement and support.

Please take a few moments to fill in the contact information below and return it to the school with your other forms. **Note: Unless information has changed, you do not need to fill out this form if you have filled it out in past years.**

Name(s) of Student(s): _____

Grandparents (To add additional names, use a separate sheet of paper.)

Parents of Parent 1:

Name: _____
